Dear Colleagues:

We are writing on behalf of the organizing committee and program committee of FPRW 2009 to formally invite you to contribute a review article or original research paper in a mini-symposium to the Journal of Agricultural and Food Chemistry on the topic of Recent Advances in Trace Analysis of Pesticide Residues. Alexander J. Krynitsky, U.S. FDA, and Dr. Yolanda Fintschenko, Thermo Fisher Scientific, will edit the mini-symposium. Please contact Yolanda Fintschenko with a short title and abstract indicating if your submission will be a review or a research paper by Feb. 27, 2009. Authors are asked to bring their manuscript to the meeting in July.

Sincerely,

Yolanda Fintschenko
President, FPRW 09 Organizing Committee
