

Florida Pesticide Residue Workshop
2011 Program Committee
Co-Chairs:
Lynda Podhorniak
Alaa Kamel, Ph.D.

<http://www.FLworkshop.com>

Dear Poster Presenter,

Posters will be displayed from Monday morning until Wednesday at noon during the meeting. The posters will be divided into 3 groups, and authors will be asked to stand by their posters for an hour each morning depending on their group. There will be a vote for the best poster, which will be given a prize. The winner will be announced at the end of the meeting on Wednesday.

Furthermore, you are encouraged to contribute an article to the *Journal of Agricultural and Food Chemistry* (JAFC) as part of a special section related to FPRW 2011. The manuscripts must be submitted electronically online on the JAFC website by the deadline to be announced (expected to be Sept. 1, 2011). Submitted manuscripts will undergo the normal peer-review process of JAFC.

This year we received a record number of oral and poster submissions. You must be registered for the meeting to keep your slot. The deadline for early registration (\$225) has been extended until June 24, after that registration will be \$275.

Poster boards will be 4 feet high by 6 feet wide. We will provide push pins and envelopes to receive reprint requests. The boards will be set up on Sunday evening in the exhibition area, which will give you a number of opportunities to hang your poster: FPRW registration begins on Sunday at 5:00 PM.

Please contact the program co-chairs, Alaa Kamel (kamel.alaa@epa.gov) or Lynda Podhorniak (podhorniak.lynda@epa.gov) if you have special circumstances related to visa, travel, or submission date issues related to your submitted abstract. For questions about the poster format and session, please contact either Paul Yang (Paul.Yang@ontario.ca), or Larry Zintek (zintek.lawrence@epa.gov).

Please visit the meeting website at www.flworkshop.com or the FPRW page on Facebook and Twitter for additional important information.

Sincerely,

Program co-chairs:
Alaa Kamel, Ph.D.
Lynda Podhorniak
