Permission to Post Presentations on Web

Explanation of our web posting policy - We plan to post presentations on the website shortly AFTER the meeting, but we will not do so without your permission.

If you wish to see previous examples go to <http://www.flworkshop.com/archives.htm>.

Your presentation will be posted as an Adobe PDF file. This is mandated because PDFs are much smaller than PPT files. If someone wants a copy of your PPT file, they will have to contact you directly.

If possible, please submit your file to us in .pdf format containing your preferred format and security.
